

The Aspire Values Index

Personal Motivators

The Aspire Values Index combines the work of Dr. Eduard Spranger and Dr. Gordon Allport into a single profile that delivers the world's most comprehensive understanding of a person's value structure or their motivational style. Everyone has their own unique mix of personal drivers and motivators that help guide them toward success. Understanding what really drives a person is a crucial part of success.

Key Areas of Interest:

The Aspire Values Index is useful for understanding how to motivate yourself and others by understanding the reason that drive individuals toward success. This information is invaluable in helping employees align their environment with what creates passion.

The Seven Dimensions of Value

- Aesthetic: A drive for harmony, balance and form.
- Altruistic: A drive for helping others to achieve.
